

Serra Retreat
A Franciscan Retreat Center

Dear Friends of Serra Retreat,

It is with sadness and an abundance of caution that we have to announce that Serra Retreat will be closed from Monday, March 16th at 5p until March 31st. We are trying to follow the advice of the Governor, the federal government and the CDC guidelines regarding self isolation and gathering of groups.

For the safety of our Franciscan Friars and our staff we will self isolate for these 2 weeks. After the 2 week period we will evaluate the situation and hopefully open to the public again. Thank you for your understanding.

We are praying that all of you stay safe and healthy and you ask you to pray for us too. Thank you.

Blessings.
